Dear Ms. Young:

Re: Date of Incident: November 26, 2012
Our File No.: 14-855/AW

This is further to my previous correspondence in regards to the Defendants, Nicholas Afagh and Anna Dul's attempts to proceed with a Summary Judgment in this matter, on the basis that the action against them should be dismissed as they were students at the time and were therefore not responsible for the care you received in the hospital. Please be advised that the motion which was initially scheduled for the week of June 27, 2016, is now being rescheduled to the week of September 12 or October 3, 2016.

This motion may result in the need for cross-examinations of both you and your sister with respect to the Affidavit evidence we had submitted in support of our responding motion materials.

I will advise if and when any such cross-examination is required.

Yours very truly,

Sonja A. Nuic
